

NOTICE OF AUTHORIZATION TO APPLY THE UL VERIFIED MARK

January 29, 2025

Company Name: Alchemco Company Address: 3532 Mayland Ct, Henrico, VA 23233 Client Email Address: kerston.russell@alchemco.com

Our Reference: 4791412924 Project Scope: Concrete water-proofing agent – UL Verified Mark

Dear Kerston Russell,

Congratulations! UL Solutions has completed the evaluation of the marketing claim covered in the scope of this project, with acceptable results. This letter, along with the enclosed Certificate, authorizes use of the UL Verified Mark and associated Marketing Claim as described below.

To authorize use of the UL Verified Mark, you must send a copy of this notice to each manufacturing location listed below and include any special instructions as indicated in this letter.

Terms governing the use of the UL Verified Mark can be found on our website: <u>www.ul.com/customer-resources/contracts/terms/</u>. Should you need assistance with Mark artwork, usage guidelines and/or placement or the Mark on product or in promotions, please visit <u>verify.ul.com/marketing</u> or ask your project manager to connect you with a UL Solutions marketing representative.

You are now able to apply the UL Verified Mark to your products and use it in promotional materials. We appreciate your business and thank you for choosing UL Solutions for your testing, inspection, certification and risk management solutions needs. Feel free to contact us at any time with questions.

Any information and documentation provided to you involving UL Verified Mark services are provided on behalf of UL LLC (UL Solutions) or any authorized licensee of UL Solutions.

Very Truly Yours,

Reviewed By:

UL VERIFIED MARK CERTIFICATE

This certificate confirms that a representative sample set, process or system was evaluated to determine the validity of the specific marketing, advertising or promotional claim regarding the product, process or system specified below and such product, process or system is eligible to bear the UL Verified Mark as described below.

Certificate Number:	V201047
Issued To:	Alchemco
Issue Date:	01/27/2025
Expiration Date:	01/26/2026
Claim Verified:	Freeze-Thaw, Water Penetration, and Impact Endurance Characteristics Verified
Product / System / Process Name:	Concrete water-proofing agent
Applicable to:	TechCrete 2500, CretePro, BridgeDeck
Details:	N/A

Visit http://verify.ul.com for information on all products/processes/systems that are authorized to bear the UL Verified Mark.

This UL Verified Mark is owned by UL LLC. Permission to use the UL Verified Mark has been granted per this certificate, yet may be withdrawn at the sole discretion of UL LLC. Subject to the terms and conditions of our Agreements, UL Solutions has granted the limited non-exclusive and non-transferable right to use this UL Verified Mark directly on product and packaging, and/or in conjunction with materials used to advertise and promote the Verified claim. Any such use shall not imply any Certification or endorsement based on the UL Solutions verification process, nor shall the UL Verified Mark be used in any professional, technical, trade, website or other business publications in order to advertise accomplishments except where the specific product that achieved UL Verification is being promoted.

Any information and documentation involving UL Mark services are provided on behalf of UL LLC (UL Solutions) or any authorized licensee of UL Solutions. For questions, please contact UL Solutions customer care team.

SECTION VIII CERTIFICATE OF COMPLIANCE NSF 61 / NSF 600 POTABLE WATER

CERTIFICATE

All testing for NSF 61 was conducted by Underwriters Laboratory and they also provide continuing services to ensure that the product is made to the same standards. This service is done quarterly and allows Alchemco to put the UL mark on all the products that this certification covers.

TESTING CERTIFICATION APPROVALS

CERTIFICATE OF COMPLIANCE

Certificate Number Report Reference Date MH63325 MH63325-20201015 2021-April-29

Issued to: Alchemco 3532 Maryland Ct Henrico VA, 23233 US

This is to certify that representative samples of

DRINKING WATER SYSTEM COMPONENTS See Addendum Page for Product Designation(s).

Have been investigated by UL in accordance with the Standard(s) indicated on this Certificate.

Standard(s) for Safety:	NSF/ANSI/CAN 61-2019–Drinking Water System Components – Health Effects
Additional Information:	See the UL Online Certifications Directory at https://ig.ulprospector.com for additional information

This Certificate of Compliance does not provide authorization to apply the UL Mark. Only the UL Follow-Up Services Procedure provides authorization to apply the UL Mark.

Only those products bearing the UL Mark should be considered as being UL Certified and covered under UL's Follow-Up Services.

Look for the UL Certification Mark on the product.

a mally

UL LLC

Any information and documentation involving UL Mark services are provided on behalf of UL LLC (UL) or any authorized licensee of UL. For questions, please contact a local UL Customer Service Representative at http://ul.com/aboutul/locations/
